Maize Grain Machine Operator

Description

We are seeking a skilled and experienced Maize Grain Machine Operator to join our dynamic team. The successful candidate will be responsible for operating and maintaining maize grain processing machines, ensuring the efficient and safe production of high-quality maize products.

Responsibilities

- Operate maize grain processing machines and equipment according to established procedures.
- Monitor machine operations to ensure quality and efficiency.
- Perform routine maintenance and troubleshooting of machines.
- Adjust machine settings to ensure optimal performance.
- Conduct regular inspections of machinery and report any issues or malfunctions.
- Maintain a clean and safe working environment.
- Follow all safety protocols and guidelines.
- Document production data and maintain accurate records.
- Collaborate with other team members to meet production targets and deadlines.

Qualifications

- High school diploma or equivalent.
- Proven experience as a machine operator in the agricultural industry, preferably with maize grain machines.
- Strong mechanical aptitude and troubleshooting skills.
- Knowledge of machine maintenance and repair.
- Ability to read and interpret technical manuals and diagrams.
- Excellent attention to detail and problem-solving skills.
- Ability to work independently and as part of a team.
- Good communication and organizational skills.
- Physical stamina and the ability to lift heavy objects.

Education

- High school diploma or equivalent.

Job Benefits

- Competitive salary
- Health insurance
- Paid time off
- Professional development opportunities
- Friendly and supportive work environment
